#### ORDERS BY THE CHIEF COMMISSIONER, AJMER-MERWARA

Ajmer, the 23rd December 1946

**No. A/1-59-II.**—The following draft of an amendment to the Census of Manufacturing Industries Rules, 1945, which the Chief Commissioner proposes to make in exercise of the powers conferred by sub-section (1) of section 12 of the Industrial Statistics Act, 1942 (XIX of 1942), is published as required by the said sub-section for the information of all persons likely to be affected thereby, and notice is hereby given that the said draft will be taken into consideration after a period of one month from the date of its publication. Any objections or suggestions which may be received from any person with respect to the said draft before the aforesaid date will be considered by the Chief Commissioner. The objections or suggestion should be addressed to the Labour Officer and Statistics Authority, Ajmer-Merwara, Ajmer :—

Draft notification.

In exercise of the powers conferred by sub-section (1) of section 12 of the Industrial Statistics Act, 1942 (XIX

of 1942), read with the Government of India, Department of Commerce notification No. 183-Ind.(3)/42, dated the 26th September 1942, the Chief Commissioner is pleased to make the following amendment in the Census of Manufacturing Industries Rules, 1945, published in this Administration notification No. A/1-59, dated the 4th December 1945 :—

#### Draft Amendment.

In rule 3 of the said Rules—

(1) to sub-rule (1), the following shall be added, namely :—

“and when any factory which was not in existence or was not engaged in any such industry in December in any year, during the next following calendar year engages or is about to engage in any such industry, the Statistics Authority shall serve such notice on the occupier of such factory as soon as may be, and the provisions of this sub-rule shall apply as if the period to which the return related were the portion of the said calendar year during which the factory is engaged in such industry” ;

(2) to sub-rule (2), the following shall be added, namely :—

“and when any factory which was not in existence or was not engaged in the sugar industry in June in any year, during the next following annual period as aforesaid engages or is about to engage in the said industry, the Statistics Authority shall serve such notice on the occupier of that factory as soon as may be, and the provisions of this sub-rule shall apply as if the period to which the return related were the portion of the said annual period during which the factory is engaged in the said industry”.

By order,

B. C. KAPUR,

Secretary to the Chief Commissioner,  
Ajmer-Merwara.

Ajmer, the 23rd December 1946

The exemption shall be subject to the following conditions, namely :—

(a) that workers shall ordinarily be employed on daily eight hours shift and a rest period of half an hour shall be given to each worker at some time during each shift ;

(b) that no worker shall be employed for more than fourteen consecutive days without a compensatory rest period of at least twenty-four hours at one time ;

(c) when in an emergency it is necessary to employ any person for more than eight hours in a day, a compensatory period of rest shall be given as early as possible, and in no case shall the average weekly hours exceed 56 in any period of four weeks; also when a person is so employed, the Manager shall, within seven days, inform the Chief Inspector of Factories, giving the date and period of extra time worked and reason for same and the date and extent of the compensatory period of rest. The Manager shall also enter the period of extra time worked and the extent of the compensatory period of rest in the attendance register;

(d) that a note shall be made in the remarks column of the register of adult workers against the name of every worker in respect of whom the exemption is claimed to have been granted and that the decision of the Chief Inspector shall be final as to whether the work of any such worker is or is not of the nature described in the exemption;

(e) when shifts are changed;

(i) no shift may be employed for more than sixteen hours in one day (that is to say, two periods of eight hours each with an interval of eight hours);

(ii) the system of shifts shall have been approved by the Chief Inspector of Factories;

(iii) the persons who have worked double time shall at next change of shifts have a complete holiday of twenty-four consecutive hours; and

(iv) the average weekly hours in any period of three weeks shall not exceed fifty-six.

**97. Articles of prime necessity.**—The adult male workers employed in bakeries and dairies shall be deemed to be employed in making or supplying articles of prime necessity which must be made or supplied every day within the meaning of section 43(2) (e) and as such shall be exempt from the provisions of section 35 of the Act:

Provided that no worker shall be employed for more than six hours on a Sunday, or for more than fourteen consecutive days without a holiday for a whole day.

**98. Irregular processes.**—The adult male workers employed on fodder pressing shall be deemed to be employed in a process which cannot be carried on except at times dependent on the irregular action of natural forces within the meaning of section 43(2) (g) and as such they shall be exempt from the provisions of sections 35 and 37 of the Act:

Provided that no worker shall be employed for more than six hours on a Sunday or for more than fourteen consecutive days without a holiday for a whole day.

**99. Engine rooms and boiler houses.**—The adult male workers employed in engine rooms and boilerhouses shall be exempt under section 43(2) (h) from the provisions of section 35 on condition that no such workers shall be allowed to work more than six hours on a weekly holiday and provided further that the weekly hours of such workers do not exceed sixty-six hours in seasonal factories and sixty hours in non-seasonal factories.

Provided that no worker shall be employed for more than fourteen consecutive days without a holiday for a whole day.

**100. Exemptions.**—The manager of every factory shall maintain a record of all exemptions granted to the factory from any provisions of the Act in Form B which shall be produced before the Inspector when asked for.

**101. Restriction on overtime.**—Except in case of workers exempted under clause (a) of sub-section (2) of section 43, the overtime permitted shall not be such as to make the hours of work exceed 60 in non-seasonal factories and 66 in seasonal factories.
